Mobile Butcher Van

Allisons Butchers Plymouth has taken to the road – bringing our high-quality meats and great prices directly to local communities and those who may find shopping difficult.

While we already provide local delivery, our mobile butcher's van allows us to serve our customers even better and help promote independence. The van visits set destinations each week, with the flexibility to make ad-hoc stops along the way.

All our meats are freshly packed and ready to take away at the same great prices as in our shop. You can also pre-arrange private orders for convenient collection directly from the van.

And don't forget – our popular 3 for £15 Mix & Match offer is available too!
Just listen out for our iconic "Pink Panther" tune – that's how you'll know we're nearby!
